About WindEurope Annual Event 2023

Wind Energy Ireland, RenewableUK and supporting UK and Irish associations are taking space for the pavilion at WindEurope's Annual event across 25–27 April. It will provide Irish and UK businesses an appropriately timed touchpoint in the lead up to WEI thriving Offshore Wind event to be held in the new Royal Dublin Convention Centre in May 2023. WindEurope's Annual Event is returning to Denmark. The industry with every link in the value chain, and from across Europe will be in Copenhagen from 25–27 April 2023. You can expect 10,000+ visitors to walk through the doors of the Bella Center over the course of the three days. And over 400 companies on the exhibition floor will be ready to reach out, do business and showcase their latest products to the entire sector.

This is your chance to join the UK & Ireland Pavilion and be part of their success story.
